

AIRPORT AUTHORITY

The Albany County Airport Authority was created in 1993 as a public benefit corporation and on May 16, 1996 executed a 40 year lease with Albany County of all Airport facilities. As the Airport's landlord, the Authority operates, maintains and improves the Airport and rents space to the airlines and businesses that provide goods and services to the traveling public and other Airport users.

The Albany County Airport Authority is governed by seven members with four members appointed by the Majority Leader of the Albany County Legislature and three members appointed by the Albany County Executive, all with approval of the Albany County Legislature.
